Minutes

President's Session – President Mun Choi

President Choi joined to discuss topics of importance to IFC to hear updates and concerns from each university and to share updates on university initiatives and priorities. Topics included, but were not limited to, faculty morale, retention and graduation rates, and promotion and tenure policies.

Assessment of Printing and Bookstore Services Vice Chancellor Sarah Chinniah

VC Chinniah discussed the changing landscape and utilization of printing and bookstore services, answered questions, and requested feedback on proposed initiatives designed to improve said services for all four universities. VC Chinniah reiterated the desire to maintain high quality service as the University considers its options.
